PeepHole Camera

Visitor Log Camera **SHC1000**

NEW!

Camouflaged Motion Detector (MAS200)

Deceive, Target & Capture

Your Perfect Front Door Security Camera

Hidden Peephole Cam

Enhance greeting safety for kids and the elderly by keeping viewing screen hidden behind the door and unseen by outside visitors.

Clear Upfront Pictures

Optical grade lens through peephole to get upfront face images with amazing sharpness.

Double Detection

Bundled motion detector and built-in knocking sensor to double insure auto-detection of every activity at doorstep.

Auto-recorded Images

Auto-record images triggered by motion/knocking detection & keep personal digital visitor log handy for future review.

Long Lasting Power

Run by 4 AA batteries, the camera works up to 1,800 triggers or 6 month long. (6 month battery life is calculated at 10 triggers per day)

Quick Installation

Mount to front door peephole in minutes using no fancy tools & wire free.

Creative Patented Design

Original concealed design of peephole cam that secretly and loyally detects, records and stores activities happened at your front door area.

Door Knocker Mode

Insert motion sensor unit into our customized door knocker casing included in the package.

Portable Mode

Hide motion sensor unit anywhere separately near your front door.

Autonomy

- Auto-detect every activity at your front door area.
- Auto-record and store images of all visitors at local SD card.

Convenience

- Camouflaged motion detector can be flexibly put anywhere at the front door area.
- User-friendly UI to easily guide your way to operate the device.
- DIY device easy to install in minutes.

Safety

- Clearly see who is at the front porch behind doors.
- Loyally snap upfront face pictures of visitors without their noticing.
- Alert break-in attempt when visitor log captures would-be thieves sneaking around.
