# Step Video

Beautiful scenic roads make you feel like just going on a getaway vacation. Let STEP VIDEO reveal the breathtaking landscape around you along the way.

STEP VIDEO mode sets camera to AUTO CAPTURE a series of clips of your journey before putting them together into an awesome storytelling video.

Video burst length: 3 secs, 5 secs, 10 secs.  
Capture interval: 30 secs, 1 min, 3 mins, 5 mins, 10 mins.

# Reverse

Play video backwards with easy one single click, leading you on the new road to fun and creativity. Inversely watch your favorite moments anytime on Brinno mobile app. Life is better shared!

Glorious sunset in reverse from finish to start.

# Time Lapse

Proprietary ready-to-view technology gives you instant, hassle-free time lapse clip right after each video shooting. The power saving system packs photos captured over days into a few fantastic minutes of experience.

TIME LAPSE mode sets camera to take a sequence of photos at selected intervals then CONDENSING them DIRECTLY into a brief dynamic video narrative.

# Accessories

Brinno newly designed quick release adapter allows you to mount & dismount camera in seconds. The package accessories further open up a whole new range of possibilities to video document your world exploration in clips.
